Forest Discovery Camp-
June 13th - 17th from 9:00am - 2:00pm
Immerses kids in what it means to be a forest ranger by studying the ecology of trees and forest habitats, mapping and orienteering, and managing for diversity and the health of the forest and all its inhabitants. Young naturalists will be enchanted by the mysteries of the Oxbow forest. Each camper will need to bring their own snacks and lunch. Ages 8-12. \$110/child. RSVP is a must.

Going Wild Camp-
June 20th - 24th from 9:00am - 2:00pm
Let your kids go wild and learn about Florida's wildlife the old fashioned way -- meeting live animals and studying their life histories and the roles they play in the environment. Oxbow's "Going Wild Camp" is for any child who loves animals and wants to learn more about them in a more intimate way. They'll be introduced to "Piney" the vanishing Florida pine snake, "Stormy" the alligator, and many more. They'll even learn about exotic species, the damage they do to Florida's wilderness, and the importance of being a responsible pet owner. Don't let your young naturalist miss out on this one of a kind animal camp. Bring your own snacks and lunch. Ages 7-9. \$110/child. RSVP is a must.
